## AUSCOLD - SAFETY PRECAUTIONS

### Driver Safety

1. Back onto dock with doors closed
2. Ensure handbrake is on and wheel chocks are in place
3. Open doors from within the igloo
4. Ensure doors are wide open and fixed in place with safety bollard
5. Remain inside the igloo at all times
6. Hand all paperwork to forklift driver
7. Hang keys on key hook inside the igloo

Full Name: \_\_\_\_\_ Sign: \_\_\_\_\_

### Forklift Driver Safety

1. Loading dock door is all the way up
2. Keys are visible on the key hook inside the igloo
3. Ensure doors are wide open with safety bollards in place
4. Rear wheels are locked in place with wheel chocks
5. Driver is confined to the igloo
6. Airbags are inflated

Full Name: \_\_\_\_\_ Sign: \_\_\_\_\_
